To: Madeline Island Marathon  
Race Committee

It has been called to my attention that Saturday evening meetings interfere with a healthy social life. Accordingly, I suggest that our next committee meeting be at Grandpa Tony's on Saturday morning, August 23, at 9 o'clock, instead of Saturday evening.

Yours very truly,

P.S. Dr. Alex Rabelle called. The two  
big trophies will be complete next week &  
we bring them up for the Aug 23 meeting
