

## Madeline Island Marathon and Half Marathon Statement on 2021 Race February 25, 2021

The Madeline Island Marathon and Half Marathon will not take place in 2021. It is with great sadness that we announce this and please know that we did not come to this decision easily. While significant progress has been made to keep events safe, and we have discussed options with local health officials, the health and safety of the Town of La Pointe and Madeline Island citizens comes first and at this time, the island is not yet ready to host large-scale events.

If you deferred your 2020 entry to 2021, an email was sent on 2/25 to the address we have on file.

We look forward to May 2022 and welcoming everyone back to the Rock!
